Dear Parent/Carer

Following the devastating events at the MEN arena on Monday night Healthy Young Minds are reaching out to any parent or carer that was present or has a child that was present. The events of Monday night will have a significant impact upon all those involved and there is a coordinated response across services in the local area to ensure the right support is available to all those who need it.

We are able to offer face to face or telephone slots on Friday Morning (26<sup>th</sup> May) at the Treehouse, Stepping Hill Hospital for anyone that would like information about responses to trauma, how to best support children or space and time to reflect and discuss their own concerns.

Please ring us today or tomorrow morning to book a time. If you would rather discuss things over the phone please leave your telephone number and we will get back to you on Friday morning. If you don't currently wish to access this support please do not hesitate to contact us at any time if you have any questions or worries.

Yours sincerely

Jenni Willbourn  
**Operational Manager Healthy Young Minds**
