

April was a particularly lovely month at Cale Green Primary School. We enjoyed a successful Parents' Consultation week, where parents had the chance to see their children's work and discuss their progress. It's always great to see the strong partnerships formed between families and our staff, ensuring the best outcomes for our children.

The recent two-week break was a perfect opportunity for everyone to recharge and come back refreshed. In contrast, school was a hive of industry during the break: The Nursery garden was landscaped, the Early Years building had new carpets, a 'Quiet Haven' was created upstairs in the main building, 3 classrooms had new interactive whiteboards and the front of school is nearing completion of a repointing restoration project. Looking after a building from 1891 takes some doing!

As we look towards the summer term, we're excited about the projects and activities planned for everyone. We're always committed to maintaining a positive and supportive environment for all our children, and I'm grateful for the dedication of each staff member at Cale Green. Let's work together to make this summer term an enjoyable and successful one for everyone involved!

### Asda Cashpot

A great big 'thank you' to all the Asda shoppers who nominated Cale Green. We received £340 at the beginning of April which we will spend on the children during the summer term.

### Mrs Lowe

Sadly, following a very short illness, Mrs Lowe, who worked in the school's office passed away recently. Those families who have had a long association with the school, may remember Mrs Lowe who worked at school for almost 20 years from 1998 – 2017. Our heartfelt condolences have been sent to Steve, her husband and Suzanne, her daughter.

### Easter Raffle

Thank you to everyone who bought a raffle ticket for our Easter Raffle. We managed to raise over £795 which is amazing and will go into school funds.

A great big 'thank you' to Mrs Buckley and Mrs Cullen for organising the tickets and spending hours writing and folding the tickets so that everyone's name was in the basket. And... thank you to all the staff and parents who donated a prize for the draw.

### The Cale Green Challenge

Well done to everybody who was awarded a Cale Green Challenge badge on the last Friday in April. Youssef and Heidi received their Challenge 1 badges.

Well done to both of you! Who is going to receive theirs next month?

### Reception Visit

#### to Jodrell Bank

The children in Beech and Birch class had a fantastic time at Jodrell Bank, exploring the giant Lovell Telescope and learning about the wonders of Space. The interactive exhibits and hands on activities made the experience both fun and educational for the children. The children really enjoyed their visit and represented Cale Green superbly!!
